

Students should sign up for any and all activities that they are interested in participating in. If a student is signed up for a 3:15 activity, they will be directed to the 2:10 Homework Club. Transportation will be provided to *The Hive* and *Maritime Gloucester* for those activities. Students on a bus route may go home on the 3:25 late bus OR the 4:25 late bus. When activities become full, a waitlist will be created.
